Pain Management Community Seminar **Chronic Pain and Spinal Stenosis** **Hosted by the Napa Pain Institute** **November 30th, 2009** **6:00-8:00 PM**

Napa Pain Institute is a highly personalized operation with a nationally recognized team led by Dr. Grigsby. We are committed to improving our patients' quality of life and providing a long-term partnership. Dr. Grigsby and our clinicians are skilled in the use of medications, physical and behavioral modifications, occasional injections, and implanted devices for the treatment of pain

Speaker:

Eric Grigsby, MD

Dr. Grigsby enjoys a national reputation for excellence in the field of Pain Management. With a background as a researcher, teacher, and clinician, he brings an unusual complement of skills to his medical practice.
