16th Annual Napa Pain Conference Concludes

Napa, CA – Pain Management physicians from around the world convened in Napa, CA for the 16th Annual Napa Pain Conference on August 14th-16th, 2009. The weekend included an esteemed faculty consisting of Eric Grigsby, MD, Course Director; David Caraway, MD, PhD; Tim Deer, MD; Robert Levy, MD, PhD; Gail McGlothlen, MSN, CSN; Michael Saulino, MD, PhD; Michael Stanton-Hicks, MD; Lisa Stearns, MD and William Stuart, RPh. The faculty spoke on many of the pertinent topics in Pain Treatment, including:

- * Pump and Stim
- * Cancer pain
- * Movement Disorder
- * CRPS
- * Opiates and Addiction
- * Peripheral Nerve Stimulation
- * Practice Management
- * Billing/Coding
- * Staff Burnout

The wine College was also held on Friday afternoon, followed by a fantastic Wine Country Dinner in the estate caves. Participants were able to learn about grafting and trellising vines, blending wines and interact with local winemakers.

An agenda and registration form for the 17th Annual Napa Pain Conference are available on our website located at: www.napapainconference.com.

Register early as sessions fill quickly and are confirmed in the order received.
